# MINISTER'S LETTER

I wonder how we build ourselves up? How do we 'upbuild', as Paul says in 2 Corinthians 12:19? I ask this because I think we need to be considering the idea of 'upbuilding' right now because we have had a tough few years – a global pandemic, economic difficulties, a climate crisis, leaders lacking integrity, and more, personal worries and hardships. So what does Paul mean by the word 'upbuild' and why is it helpful to think about now?

To 'upbuild' comes from a word that Paul uses that was typically meant for buildings. It might be thought of as an architectural term and it is a metaphor that can be applied to the Church and we as individuals. The word also comes after the bit where Paul talks about the 'thorn in the flesh' in verse 7, and saying that 'when he is weak he is strong' in verse 10. I want to make a link between God's working in us when we are struggling and the idea of 'upbuilding'.

To upbuild in a spiritual sense is to place God at the centre of our lives and allow that working in and with us to build us up. When we are weak, continuing the architecture metaphor, we may need scaffolding to support us as we 'upbuild', or have wall bracing put in to keep us upright. When we are struggling, it is so important to place God at the heart of our own buildings – both shared and individual.

I write shared and individual in relation to the metaphor of buildings because this idea of 'upbuilding' is a personal and collective pursuit. We need to 'upbuild' not only ourselves but also each other, especially when we are struggling. There will be times in our lives when our capacity to 'upbuild' ourselves is dwindling and having others who care and love us is so important. It is a mixture of holding and building up one another as well as seeking it for our own person. It is to show mutual love and compassion for each other whilst seeking out God in and with us. 'Upbuilding', therefore, becomes a key part of being a Christian, to construct a faith life that rests upon the foundations that is offered to us through the life, death, resurrection, and ascension of Jesus Christ. In short, to 'upbuild' is to allow God to work in and with us for the betterment of each one of us.

God bless,.

# THE LINK

This is an exciting *Link* to put together as we look forward to Easter and Springtime generally. This edition is a little thinner than most (24 pages instead of 28) for the simple reason that I've received less material. However a little while ago I received so much we had to go to 32 so perhaps this counterbalances that. There's certainly a very full diary of things happening in the next three months for our information and prayer. And many thanks to the churches that have sent in articles about what they have been doing. If your church does

something special why not write an article straightaway (with pictures if possible) - no need to wait for the deadline. Then we can all rejoice in what has happened and perhaps think of doing something similar in the future in whatever way works for you.

It's good to see that three of our fellowships are getting involved in the World Day of Prayer (see below). Perhaps it may be a few more next year.

Enjoy your read—enjoy your pray.

# REV'D ELIZABETH BELLAMY

*Although she has been preaching in our Circuit for a while as a visiting preacher Liz has now joined us as a supernumerary having moved to Wells. We are very pleased to welcome her.*

12 years ago, when I retired for the second time, I left Wells after 3 years there as an active supernumerary minister. In November 2022, having retired for the third time, I returned to live in Wells – this time as a lady of leisure.

I began my ministry in 1978 serving the Methodist Church in Kenya and was ordained that year in Nairobi. In the 44+ years since then I have been stationed in north Norfolk, Norwich and Ipswich and lived in manses in Holt, Norwich, Ipswich and Wells. Recently I have lived for nearly 6 years as an active supernumerary minister in the manse on Alderney, one of the smaller Channel Isles.

As it happened, in nearly every appointment, I have been responsible for building schemes. It began in Kenya where church growth meant building bigger churches and more manses. The largest was in Ipswich with a £1.3 million job. On Alderney, an island of about 2000 people with some 15 Methodists, we raised over half a million pounds for a major makeover of the church and at the same time raised our profile on the island and doubled the congregation. Now I have a new task: to help develop our Wighton church into a District Heritage Centre so that its Christian witness continues. "Heritage is the mission of the church" (John Hustler, secretary of the Conference).

## STROKE GROUPS

*Hilary Pegg writes:* Stroke is the fourth largest cause of mortality and the single largest cause of adult disability in the UK. (Stroke Association.)

As part of my calling as a Methodist I belong to an East of England stroke group which meets monthly on zoom. It is for stroke survivors or anyone interested in helping the work of the Stroke Association.

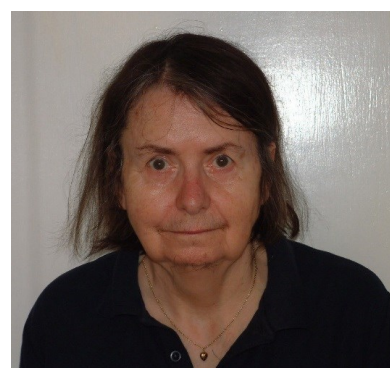

It is currently looking for members. There is another larger group for people who have

had a stroke or care for someone who has had a stroke.

If you are interested in either group let me know by phone on

# HOPE AT THE HIVE

*'Do not remember the former things, or consider the things of old. I am about to do a new thing; now it springs forth, do you not perceive it?'*

Isaiah 43: 18-19a

Isaiah's words speak 'in due season' or 'just at the right time'. At The Hive we are trying to listen for the meaning and purpose in those words and to turn them into a vision of hope: the hope that God promises in Jeremiah.

*'For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future.'*

Jeremiah 29: 11.

Everywhere in today's world we see challenges, both far away and close to home. We know that the church is being rigorously challenged as to its relevance and its place in society and each and every church is facing its own existential challenges. So we have to ask, what is God's vision for the future and how do we become part of that vision? Change is inevitable and it is far better to be a contributor to change than a victim of it!

In 2023 we are in our third year of activity at The Hive. Geraldine, David, Susan and I constantly review the contribution of The Hive. Sometimes this is about practicalities – when are the best days and times to hold events? Sometimes it is about content and offering – what has drawn people to us? Less often it is about the impact of The Hive's programme and that is because while we know what people say to us directly, we can't know how God is speaking to them. It is simpler to take action and trust that the Holy Spirit is at work.

Speaking of taking action, the latest programme for The Hive has some new elements as well as building on established strands. The first new event is called **Thoughts on Thursdays**. Here we set aside 60 minutes to share thoughts on some of life's important questions, over a cuppa. Discussion is stimulated by a short, thought-provoking TED Talk and we have three of these Thursdays across the new series. This season's **Celtic Journeys** occurs on St Patrick's day, 17<sup>th</sup> March, whose life and example will be our inspiration.

Revd Dr Carole Irwin, formerly of Wesley House, returns on 24<sup>th</sup> March to talk about **Lyn's House** in Cambridge where a diverse community embraces and supports people with intellectual disability and Susan will continue her **History of Russia** which is helping to shed light on and provoke discussion about the aggression of Russia's leaders today.

# HOLT PET SERVICE

Back in November we decided to hold a Pet Service. We have held such services before with some success and—no—the precautions we had taken were not needed!

Our new minister, Rev Jonny, was a little cautious so we decided to hold it in November as a trial and, if deemed successful, make it a feature of our summer outreach when there are lots of visitors about.

Unfortunately Rev Jonny was unwell so one of our Local Preachers was asked to stand in for him.

We had quite a number of animals, mostly dogs. Some appeared in person and some as pictures on our screen. The theme of the service was about how God rejoices in all life, domesticated or wild. Some appropriate

animal inspiring hymns were sung and all the animals and their owners received a blessing.

We hope to be able to repeat this, perhaps on a larger scale (but not try to rival Ely Cathedral – they have alpacas which definitely need buckets and shovels!) in the summer months. When you see it advertised why not come and join us, with any animal you wish, to see what happens.

# The Pilgrim Methodist Church

Blakeney 🇬🇧 Walsingham

## NEWS FROM BLAKENEY

The Christmas season was one of quiet reflection at Blakeney, offering the community a little retreat from the stresses of the season. We enjoyed a lovely time of Carol singing in the lounge with friends old and new, followed the next week by one of Aileen's flower arranging workshops - resulting in unique yet marvellous creations!

In January I was pleased to take part in a service for Christian Unity at St Martin's Church in Glandford, the small Church was joyously full and all of the attendees were in

fine voice - filling the space as we sang together.

As we move towards spring and look to the seasons of Lent and Easter it will be good to be fully present once again at the usual Ecumenical services in the village, as well as discerning what the last year of my appointment here will hold - I am sure that there will be celebrations, joyful events and times of laughter alongside times of lament and holding one another in love.

I once found a small slip of paper in the chapel that had 'Lord, whatever may happen today, may I always remember that between us there's nothing we can't handle' (it turned out to belong to Lilian, who kindly let me keep it in the chapel) So, whatever the next twelve months may bring, I reel ready and prepared for the journey!

## **NEWS FROM WALSINGHAM**

It's been a quiet three months at Walsingham with few pilgrims or tourists and cold weather. It does have a timeless atmosphere all of its own however when walking down the empty street in the quiet of a winter's evening, especially during Advent when the Nativity Scene is erected next to the old pump in Common Place. In December we did have some visitors to the Chapel as we welcomed a delegation from the Harare West District of the Methodist Church in Zimbabwe as part of their tour of East Anglia. It was very interesting to contrast and compare Walsingham with the oldest Chapel in their District, which is some 100 years younger! These quieter winter months have afforded us time to have a pre-spring clean, including sorting out and tidying a couple of cupboards – one of which revealed a second and more modern font which is now on display as a contrasting example to the 1886 memorial font which is already on display in the Chapel. The Vestry has also been spruced up, offering visitors a glimpse of the remains of the Franciscan Friary and the opportunity to see a wall mounted paraffin oil lamp, which is likely a survivor of the original lighting in the Chapel.

Services have continued despite the weather and usually around 18 of us gather monthly on Sunday afternoons for a short service followed by a meal together. We had a very enjoyable service in December and the Chapel looked cosy and inviting, Sam even had some visitors pop in to look around whilst she was putting the decorations up. One visitor had been coming to Walsingham annually for over three decades and was delighted to finally find the Chapel open, having often heard that it was well worth a visit (he wasn't disappointed!) Our February service was well attended and it is so good to have a group of regulars as well as welcoming those who are on holiday or pilgrimage. Some people come regularly and some from time to time when they are able. Wherever you live do feel free to join us if you are in the area. Our next services are at 4-30pm on:

March 12<sup>th</sup>

April 16<sup>th</sup> (Please note that the April service has been moved from the usual second Sunday)

May 14<sup>th</sup>

We also have a visit from a Camino Pilgrimage walk to Walsingham 23-26<sup>th</sup> March and the Student Cross Weekend will once again be using the Chapel during their pilgrimage over Easter April 7<sup>th</sup>-9<sup>th</sup>.

The National Pilgrimage returns to its usual day this year (having moved last year to accommodate the Jubilee) which is on the 29<sup>th</sup> May (Spring Bank Holiday) and really is something to behold. Sam will be opening the Chapel on Monday and Friday afternoons again for the snowdrop season, which begins at the end of February and then after Easter for the main Pilgrimage season. School visits continue and we have already taken our first few bookings for the year.

Please get in touch with Sam or Glyn if you would like to arrange a visit at other times or would like to be added to our email list.

# NEWS FROM LITCHAM

Writing this on the day after the coldest January night RAF Marham has ever recorded (-10.1 degrees), I hope that you will be reading this in all of Spring's glory, and in anticipation of Easter.

I am sure that preachers will be pleased to hear that we have received the generous donation of copies of Singing the Faith. so will no longer be getting a call asking them to revise their hymn choices. This means that we now have the choice of Singing the Faith, Hymns and Psalms, or Songs of Fellowship (Vols 1 to 4) available, probably the largest choice of hymns in the Circuit with a library of well over two thousand hymns to choose from, 1500 of which I suspect will never or rarely be sung!

We are hosting the area World Day of Prayer service on March 3<sup>rd</sup>, at 2.30 p.m., which this year has been prepared by the women of Taiwan. The planning for these services is begun several years in advance, and this year's is particularly relevant with China once again raising its claim to the island.

We will be running a Course on each Friday of Lent at 10.00 a.m. each week. At the time of writing the subject has not been finalised, but some lively debate and discussion is ensured. This is an ecumenical venture with our Anglican Friends.

On Palm Sunday, April 2<sup>nd</sup>, we will hold our now traditional Processional service around the village, accompanied by our (lifesize cut-out) donkey. For the first time, all the surrounding villages from the Upper Nar Anglican Benefice will be joining us, so it should be quite an occasion. We will meet at 10.15 a.m. at Litcham chapel, and provision will be made for an indoor service should the weather be inclement.

On Good Friday we will hold our usual 'mini-pilgrimage' leaving Litcham chapel at 10.00 a.m., and walking to Tittleshall to arrive shortly before 11.00 a.m. Concurrently, there will be a time of worship and reflection taking place at Tittleshall chapel, beginning at 10.15 a.m. and concluding when the walkers arrive.

We are delighted and excited that we will be hosting our first infant baptism service for many years on April 23<sup>rd</sup>. when Rachel and Andy Carter will bring their first daughter, Sybil, to be baptised. Rachel is the daughter of Marion and John Moulton, and was a member of our Sunday School all through her childhood. Some of the more senior members of the old Swaffham circuit will remember Marion's mother and father, Bob and Sybil Hall, who served the church faithfully at Rougham for many years, and Sybil has been named to honour her great-grandmother's memory.

Due to the pre-Christmas icy weather, we were forced to cancel our concert with the Sunflower Choir, so we are delighted that they will be joining us to perform a Spring Concert at 7.00 p.m. on Friday April 28<sup>th</sup>. Proceeds from the evening will be for Action for Children.

# THE COASTAL COMMUNITY SUPERMARKET

The Coastal Community Supermarket is a mobile pop-up shop run by Coastal Health and Wellbeing at the Old Cottage Hospital, Wells-Next-the-Sea.

It offers food, personal care and household products to local residents at between 30% and 50% less than retail to help combat the rising cost of living, provide access to groceries in isolated communities and prevent food waste.

Local residents can sign up as a member to use the supermarket. There is a short membership form to fill in and a one-off fee of £3.50 per household to join. We then issue you with a membership card and then you can shop as and when you wish.

The supermarket will be in Stibbard on Wednesdays between 10am and midday. The venue will alternate between the Methodist Church and the Village Hall.

## HEAVEN'S GROCERY STORE

*Author Unknown*

I was walking down life's highway a long time ago,  
one day I saw a sign that read, "Heaven's Grocery  
Store."

As I came closer the door opened wide  
and when I came to myself I was standing just  
inside.

I saw a host of angels, they were standing  
everywhere.

One handed me a basket and said, "My child, just  
shop with care!"

Everything a Christian needed was in that grocery  
store,  
and all you couldn't carry, you could come back the  
next day for.

First, I got some **PATIENCE**, **LOVE** was in the  
same row.

Further on was **UNDERSTANDING**, you need that  
everywhere you go.

I got a box or two of **WISDOM**, a bag or two of  
**FAITH**.

I just couldn't miss the **HOLY GHOST**, for it was  
all over the place.

I stopped to get some **STRENGTH** and  
**COURAGE** to help run this race  
by then my basket was getting full but remembered I

needed **GRACE**.

I didn't forget **SALVATION**, for salvation was  
free,  
so I tried to get enough of that to save both you and  
me.

Then I started up to the counter to pay my grocery  
bill

for I thought I had everything to do the Master's  
will.

As I went up the aisle I saw **PRAYER** and just had  
to put that in  
for I know that when I stepped outside I would run  
into sin.

**PEACE** and **JOY** were plentiful, they were last on  
the shelf.

**SONG** and **PRAISE** were hanging near so I just  
had to help myself.

Then I said to the angel, "Now how much do I  
owe?"

He smiled again and said,  
"My child, Jesus paid your bill a long, long time  
ago."

# NEWS FROM

## SAHAM HILLS

First we wish everyone a Happy and Healthy 2023.

We combined our autumn coffee morning with our Christmas Sale on November 26<sup>th</sup> which proved popular and very successful in helping to boost our finances for last year.

On December 18<sup>th</sup> it was lovely to see our little chapel festively decorated and full of worshippers for our Carol Service which was joyfully taken by John Hull. Wendy played the organ and gave us interesting information about each of her chosen hymns, they were all favourites and we sang with gusto. It was a lovely service for which we thank John and Wendy and once again our community was very generous with their Christmas donations.

On 22<sup>nd</sup> January once again our chapel was full as worshippers from St. Georges Church Saham Toney joined us for our Covenant Service. Jacqui, as usual led an entertaining service with congregation readings and communion followed by tea or coffee and biscuits with friendly chatter with our guests.

We now look forward to BIG SUNDAY on the 29<sup>th</sup> when we join all chapels with thoughts on The Covenant.

On one of our own arrangement services in January we looked at the significance of some of the many mountains mentioned in the Bible, looking at the stories it leads to many 'other stories' we could use at a later date.

I found this poem, author unknown, which we used as a closing prayer. It seems to convey all that God has given us and all that we should thank him for often.

The mountains are my bones  
The rivers are my veins  
The forests are my thoughts  
And the stars are my dreams

The ocean is my heart  
Its pounding is my pulse  
The songs of the earth  
Write the music of my soul AMEN

### MATTISHALL

We will be joining in with the village World Day of Prayer Service prepared by women in Taiwan at the Parish Church on 3rd March at 2.00 p.m.

After a winter break we will be starting our monthly Saturday Coffee Mornings for charity on 18th March. We look forward to catching up with Rev Betty Trinder as she will be returning to lead our 123rd Chapel Anniversary Service on 23rd April.

### FULMODESTON

In April we are not having a service on the 2nd but a Communion service on Easter Sunday with Rev Jonny Bell, and Mrs. Avril Temple preaching on the 16th.

The preacher on our Chapel Anniversary on May 7th will be Mr. Nelson Tubby.

All our services are at 2.30 pm.

## HOLT

We are having an exciting time at Holt withal sorts of activities which have either happened or are planned. For example see the article on our Pet Service on page 9 or the various celebrations at our Covenant Service on page 16.

We have now had permission to move to the next stage of our Development Project – *Light and Life for All*. This doesn't mean we can actually start but we can now initiate serious fund-raising. There are conditions to this permission, mostly of a technical nature, but two will require further thought, action (and expense!) Our very efficient heating system is deemed unacceptable in a Listed Building and will have to be replaced. Apparently heaters have to be virtually invisible and definitely not glow. We also need permission for our new chairs – which must not be plastic or upholstered.

We have various plans for special outreach events during the year. In particular we intend to reintroduce our Pentecost Party in the Holt Memorial Gardens at the end of May. This will be widely advertised and people encouraged to join us for a Party with lots of food and drink interspersed with some singing and Biblical thoughts. And, of course, Joselyn's splendid Afternoon Teas (complete with Olive's stall) will re-commence in March. We also plan to share in the World Day of Prayer on March 3rd. We did this for many years but, sadly, it has slipped beneath the radar in recent years. Now, hopefully, is the time to re-introduce it to our corner of North Norfolk.

## WATTON

At Christmas, we held our usual Candlelight Carol service on Christmas Eve, and although not so well attended as in pre-covid years, it was a good service with Rev Jacqui and musical accompaniment by Deacon Jen which was enjoyed by those who were there. On Christmas morning our service was led by Deacon Jen with a talk about 'room in the stable for everyone', involving all members of the congregation.

Other Christmas events in The Methodist Centre were enjoyed by many people, including carol singing at the coffee morning and the excellent display of Nativity Sets from Jacqui and Jen's large collection. The New Year has begun quietly, but we look forward to more special services for Mothering Sunday and Easter, as well as more Tuesday afternoon activities monthly in The Centre, which will include crafts and talks.

---

## GARVESTONE

Our regular Bible Studies will be put on hold during Lent and we shall be following a Lent Course led by Rev Anne. Normal service will be resumed shortly after Easter. For further details including dates, time and location please contact Andrew Durrant (01362 858033).

We have started re-organising ourselves for the much bigger scope our redeveloped building will provide. In particular we have a new publicity officer who is working hard to make sure that the community knows what we are doing. Also a new team has taken over the arrangements for hiring the premises which should also become a much bigger task in the coming years.

# NEWS FROM CHURCHES

## WELLS

In partnership with Churches Together in Wells we will be holding our usual Lent discussion groups throughout Lent. We will also be providing Lent lunches every Friday at The Friends Meeting House in aid of Christian Aid and Cafod. We will be the hosts on Friday 3<sup>rd</sup> March at 12 noon and again on Friday 31<sup>st</sup> March. On Good Friday there will be a walk of witness starting at 1.00 p.m. from Our Lady Star of the Sea and ending with a short service at the bottom of Staithe Street. On Easter Sunday there will be a dawn service near the Lifeboat Station at 6.30 a.m.

Sadly we report the death of our long-serving member Mrs Barbara Clarke of Leylands Yard. Barbara lived here for about 40 years and has always been very involved in Wells Methodist Church. She was a very talented lady who used all those talents to further the work of Jesus Christ in this community. She had a lovely voice and sang all round the Circuit. For many years she produced, and sometimes wrote, our annual Nativity Play, which was performed in our Church every Christmas by Churches Together. She was for many years responsible for the Church flowers – latterly working with Jean Benson who took over from her. Barbara was also extremely supportive of our bi-annual Bazaars held at The Maltings. She always had her own stall with lovely hand-made arrangements and gifts. She is sadly missed.

## A SPECIAL DAY AT HOLT

Our Covenant service proved to be quite a special time this year, as we welcomed Diana Smith as a new member and also Steve Jones was presented with his Certificate celebrating his 25 years as a Local Preacher. Joy and smiles all round!
