

District Service Walsingham Methodist Church

June 8th 2024 2-30pm

Welcome to the District Service on June 8th. We are so pleased you are planning to join us. The service will be held in the chapel with light refreshments afterwards in the Parish Hall across the road from the chapel in the High street.

Approaching Walsingham from any direction please follow signs to the **main car park**. There is **no parking at the chapel** and very limited parking in the Friday market and on the street. If for any reason the main car park is full the overspill is on the coach park by the old Railway Station, now the Russian Orthodox St Seraphim's. Both are shown on the map below. **Please note it is paid parking and by card only**. If the card machine is not working you can pay by card at the entrance to the Abbey grounds in the High Street where they will ask for your registration number. To get to the chapel, walk down the High Street away from the shrine. At the bottom of the street there is an entry to the right. The chapel is at the top of this. There is a ramp and also one toilet which is suitable for those with mobility problems. Public toilets are found further up the High St which might be a useful point of call enroute!
